

The Steele Creek Nature Center!

Sure it's cold, but winter offers some of the most amazing sights Steele Creek Park has to offer! Check out what we have going on...

- Saturday, January 7th, 12:00 pm: Pinecone Bird Feeders: Kick winter off at the Nature Center for a hands on activity making your very own pinecone bird feeders!
- Tuesday, January 17th, 3:00 pm: Winter Plant Walk: Not everything goes brown during the cold months! Meet Jeremy at the Nature Center for a Moderate walk looking for the green that can still be found in the park!
- Friday, January 27th, 2:00 pm: Winter Photography: Meet Larry at the Nature Center for a mild stroll learning the basics of winter photography. Don't have your own camera? Borrow one of ours!
- Saturday, February 4th, 9:00 am: Winter Bird Walk: Meet Don at the Nature Center for a mild walk around the lake and into the woods for a look at some of our region's migrating birds!
- Thursday, February 16th, 3:00 pm: The Winter Weather Station! Meet Don at the Nature Center for activities of all ages, exploring the weird and wonderful sides of weather!
- Friday, February 24th, 2:00 pm: Photographing Glimpses of Spring! Meet Larry at Rooster Front Park (just off Vance Drive) for a mild walk photographing the early signs of spring! Bring your own camera or use one of ours!

Make plans for our Summer Nature Camps!
