Second Annual Seed Swap Announced

The State Street Farmers Market, in conjunction with the Appalachian Farmers Market Association (AFMA), will host the second annual “Seed Swap” on Sunday, December 12, 2010 from 2:00 p.m. until 5:00 p.m.

There will be two classes offered to the public: “Tomatoes in May - Getting Crops to Market Early” and “Saving Seeds to Sale.” Ira Wallace will be the keynote speaker for the event. Wallace is on the board of the Organic Seed Alliance and is owner of the Southern Exposure Seed Exchange. The keynote address will be on heirloom seeds.

The seed swap is an event where farmers and gardeners gather to exchange or purchase non-hybrid seeds from each other.

Light refreshments will be served.

The event will be hosted at Slater Center located at 325 McDowell Street, Bristol Tennessee.
