The Best Heart Tribute Band, LITTLE QUEEN Bristol's Full Moon Jam Concert and Tribute Series

“So who are these Little Queen people? Why do they do what they do, and how can they do it so well?” – Little Queen, a tribute band to Heart is a group of like-minded musicians currently residing in and around Nashville, Tennessee. Each member brings years of experience in the

music industry to the band, from years spent on tour to sideman work to label experience to studio veteran. When the passion for Heart music is combined with their experience and commitment to quality and accuracy, the result is an incredible recreation of Heart's biggest concerts. Little Queen is hands-down the best sounding Heart tribute anywhere, and is the only tribute authorized to perform their show by Heart's

management. “Little Queen brings the energy, the style, the memories and the sounds of Heart to the listener,” said Darlene Cole, Venue Manager for the Community Relations Office which oversees the city's entertainment venues.

Little Queen fronted by Shonna Harrison and Andra Durham, presents all of Heart's biggest songs from the 70's.

Come out to the Downtown Center on Thursday, June 6th located at 810 State Street to hear some of the best of rock and roll. The band will take the stage at 7PM. As always there is no charge for the concert, plenty of seating will be available along with food and drink on site.

“This is second in the tribute series for the season. It is a way to spend a warm summer evening under the stars with family and friends,” added Cole.
