### **Bristol Tennessee City Council informed of clean audit**

The Bristol, Tennessee City Council was recently advised, by the firm of Mauldin and Jenkins Certified Public Accounts, that the annual audit has been completed. The independent report contained no opinions or findings. Mr. Matt Hill, of the firm, informed Council of the Unqualified Audit opinion and congratulated the city's Finance Director and Department staff on a job well done.

The audit is a component of the city's Comprehensive Annual Financial Report, which is produced at the close of each fiscal year, as required by Tennessee state statute.

For more information on the audit, please contact Tara Musick at 423-989-5500 or email [tmusick@bristoltn.org](mailto:tmusick@bristoltn.org).
