Since the early eighties, “1964” has been thrilling audiences around the globe by taking them on a journey through a quintessential moment in music history that will live forever.

Over twenty years of researching and performing have made “1964” the masters of their craft. They are hailed by critics and fans alike as the most authentic and endearing Beatles tribute, which has earned them the distinction from Rolling Stone as the “Best Beatles Tribute on Earth.”

“1964” recreates an early 60’s live Beatles concert with period instruments, clothing, hairstyles, and onstage banter with an accuracy that is unmatched.

“This show has sold out at Carnegie Hall many times, and at the Red Rocks Amphitheatre as well. We are extremely lucky to have a tribute concert of this caliber in our community for one show only,” said Mike Clark, Producer for New Covenant Productions.
