Enjoy Steele Creek Park After Dark

Who wouldn't enjoy a mild evening walk in the woods just to see what's stirring after dark? The Steele Creek Park Nature Center staff is excited to offer an unusual after-hours activity for the entire family. Seldom does the community get to experience the woods of Steele Creek Park or any wooded area at night. Come out and see what is stirring in the shadows when the sun sets behind the knobs of this beautiful park.

The trek's length will depend on the weather and the group. This healthy and fun activity is scheduled for Friday, November 12, 2010 commencing at 6:00 PM. Dress warmly and bring a flashlight if you like. The activity is free to all.

The group will meet at the Steele Creek Park Nature Center, 80 Lakeshore Drive, Bristol Tennessee. The party will be led on this exciting adventure by Parks and Recreation's Asst. Park Naturalist, Larry McDaniel.

For more information contact the Nature Center at 423-989-5616 or lmcdaniel@bristoltn.org.
