Item B: Amendment # 7
Fiscal Year 2017-2020 Transportation Improvement Program
Resolution 18-02

Background:

The Tennessee Department of Transportation has redistributed Federal Fiscal Year 2014 and earlier FTA Section 5307 program funds to Tennessee’s small urban transit systems. These funds represent earlier grant applications, which were not fully disbursed or utilized and subsequently lapsed back to the State. Bristol, Tennessee’s allocation represents $220,808 in federal funding, which will be programmed for replacement of two fixed-route transit buses. For the City to obligate these funds, they must be programmed in the FY 2017-2020 Transportation Improvement Program and approved by the MPO Executive Board.

Recommendation:

Staff recommends adoption of Resolution 18-02, approving Amendment # 7 to the FY 2017-2020 Transportation Improvement Program allocating redistributed FTA Section 5307 funds to Bristol, Tennessee (Bristol Tennessee Transit).
